The victim in this case asked for a few things in addition to counseling, so I sent her a letter requesting info we would need for those requests. If those documents are not received, I will proceed with an Eligibility Award. There should be no problem whatsoever with this claim. But the victim can have her counselor bill us at any time with her claim number (796021)

Great! Do you know when it will be approved and the victim can use towards counseling expenses?

Thank you!

Hi [REDACTED] - I'm with the case agent today and have the form. Can I fax it to you?

I just double checked with [REDACTED], the initial email from 11/7/19 only had pages 2-4 of the application and a Buyer Estimated Closing Statement. In your original email you state you will send it when it is signed by the Agent. I'm sorry if this is wrong and you did send it, we can't seem to find it.

Thank you

[REDACTED] that was sent awhile back; I thought with the initial application. If you do not have it - I will ask the case agent to re do.

Thanks

Hi [REDACTED],

She did get the first page of the application but did not receive the law enforcement verification. Could you forward it to me?

Thank you!

Hi [REDACTED],

I am taking over all of the Epstein cases we receive. For [REDACTED], I wanted to see if we received the verification form from the assigned Agent yet?

Thanks!
