Hi Jessica - I hope you are doing ok! I wanted to let you know that the therapists for both [REDACTED] and [REDACTED] have been connected to our finance POC and ready to go. I have not heard from anyone yet for Yolanda.

I left you a message yesterday just wanting to discuss therapist options. Please let your clients know that if they dont feel that the therapist is the most appropriate for them after the first session; they do have the choice to see someone else. I have had some victims see someone that was great for another victim but not necessarily the best fit for them.

Please feel free to call me if you have any questions.

Stay safe and have a great weekend!

I believe that [REDACTED] will be seeing Lisheyne Hurvitz, (561) 922-7044 (o) starting in the next week or two. I did talk with Ms. Hurvitz and confirmed she will accept a credit card. I told her that you would be in touch to confirm the rest of the payment process details. Her website (which includes her license number) is here: [\[REDACTED\]](#)

I do have Lisheyne's cell phone number too, which is [REDACTED]. She doesn't give that out to clients but I would presume since you're going to give her money she'd be ok with you having it.

I suspect that [REDACTED] will also be seeing Ms. Hurvitz, but I did give her Randee Kogan's name as well. I'm just waiting for [REDACTED] to let me know who she opts to see.

I appreciate the referral for [REDACTED] as well. I will circle back with you on her selection.

Thanks again - and have a good holiday weekend (from at least six feet away).

contacting them, the harder it is to keep that a secret. It is probably best for everyone that I'm the communications conduit for everything.

Please let me know what you need to get the counseling for each up and running. I will contact the therapist that I know in the WPB area that Vanessa was interested in seeing to see if she takes credit cards, and I will also do some homework on Randi Cogan, another therapist in that area that you mentioned. Fayth will definitely need some referrals or recommendations if you have them; she does not have any particular therapist in mind at this time.

Thanks again. And please know that I remain committed to assisting your team with their investigation in any way that I can, even if it does not involve my clients specifically. Between Brad, Brittany, Adam and I, we probably have the best combined institutional knowledge of the case through 2011. I will readily admit that Brad is a much better resource for everything post-2011. But if I can assist in any way, please let me know.
