Hi [REDACTED] - I hope you had a nice weekend! I just received an email from [REDACTED] She said she spoke with you and is going to schedule an appointment.

In order to facilitate payment - can you send me a new email stating that you will be seeing this person and the cost of each session?

Call me tomorrow if you have [REDACTED] questions.

Thank you so much!

Yes, I would be happy to work with her and of course very much in my area of expertise. I am also EMDR Certified. [REDACTED] and there's train and bus direct. My fee is \$140 but I am happy to accommodate a sliding scale if needed. If she has out of network benefits, I can give her a statement to submit for reimbursement through her out of network benefits.

Here's my website if you want to send it to her or check it out.

I'm waiting to hear where the victim lives but I think she is in [REDACTED] - is that close? Oh but tele health may work.

So this is a victim of Jeffrey Epstein so I need someone I can trust. How much are you charging?

[REDACTED] - I can definitely talk to her. But I think the quickest way to get a report filed/ lead opened is for her to call our complaint number. She can speak with a duty agent who will open a case which will send it to the appropriate office. The number is [REDACTED] and tell them that I told her to speak to the Duty Agent.

Let me know if she has any issues doing that.

Hi [REDACTED]

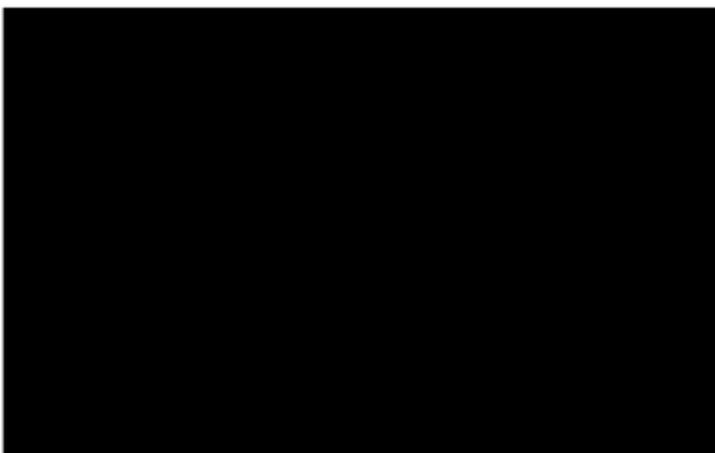

Would you be able to reach out to her? She gave me consent to provide you with her information.

Let me know what you're comfortable with.

Thank you so much.
