Well we would be using Zoom and the format would be whatever is best for you guys. If you would like to talk to us a little bit about the case before moving on to Q&A's that would be perfect!!! But really the way the discussion will go is it will focus around all of you. If you have anything like a PowerPoint or some sort of presentation that you will like to use that's also fine. We are just more than thankful that all of you have agreed to appear before us on our Epstein Discussion. So just let me know what you would like to do.

Good Afternoon Brittany,

It's a pleasure to meet you. Firstly I just wanted to say thank you for everything you and [REDACTED] do for the survivors.

Secondly I had just reached out to Keryn, who is our Community Educator and Family Advocate at the Child Advocacy Center in Suffolk County, and she is wondering if Thursday the 23rd of July works for everyone at 9am? Please let me know whenever you can.

Thank you again.

Hey Bruno - I have spoken to Brittany and they can join me; but unfortunately not on the 20th. Can we try another day? I have copied her so it will be a little easier to coordinate.

Talk to you soon!

Hey [REDACTED]

Do you think we can move the discussion for Monday the 20th? It would be anytime from 3:30-4pm if that works for you. We would love if Brad and Brittany can chime in as well. Let me know whenever you can. Thank you.
