If they are represented by legal counsel, you'll need to go through them. This was more of an awareness for you if they were to reach out directly. You don't need to contact them as this is post-indictment and if they have questions, they should be speaking with SDNY VWC, Wendy Olsen.

Correct, you can't tell her the other 2 individuals, it would need to be SDNY.

Angela, feel free to follow-up with Cristal and connect her to Wendy if need be.

Yeah I work with [REDACTED]. But obviously I can tell her that she is one of those 3 right? I just can't tell her who the other 2 are.

Thanks,

The only thing that can't be shared are the victims names. I know that's probably obvious but I'd rather overstate the obvious on this one. They are referred to as Victim 1, 2 and 3 in the indictment. I just wanted you all to know who the 3 victims are in this case you work with one of them.

Are we allowed to share this indictment with the victims who ask for it?

Hello Again,

As a follow-up, there was a joint press conference at noon today with FBI and SDNY. I'm sure SDNY will have it up on their website shortly. During the press conference, they urged individuals who haven't come forward as victims of Maxwell or Epstein to utilize the FBI tip line. Please find a link to the unsealed indictment:

Thank you,

**Subject:** Arrest of Ghislaine Maxwell

Good Morning,

I'm writing to inform you that NY Division made the arrest of Ghislaine Maxwell in Bradford, NH early this morning. A true bill came back in NYC on Monday, June 29 on the following charges:

- Enticement of a Minor
- Conspiracy to Entice

- Transportation of Minor for the Purpose of Criminal Sexual Activity
- Conspiracy to Transport
- Perjury (2 counts)

A number of you may have worked with victims in the original charges against Jeffrey Epstein. This news is going to understandably bring a number of emotions and feelings to the surface for these victims. USAO at SDNY may be notifying the original victims in the Epstein case as a courtesy; however, the only individuals being identified as victims in this indictment are the following:

- [REDACTED]
- [REDACTED]
- [REDACTED]

You may receive phone calls from victims you have worked with - if you have questions, please direct them to VS Angela Jackson as she is the lead VS on this case. The VWC at USAO/SDNY is Wendy Olsen and Angela will be closely coordinating with her. I will update later with a link to any press release made by FBI NY or SDNY. Please ensure you are only repeating the information made in statements by SDNY and FBI as this is still an active investigation.
