Thanks, all. [REDACTED], glad you knew what I was talking about because I failed to reference the case. Lol.

[REDACTED] I don't suspect you'll need me for anything, but if you do feel free to forward to me as well. Thanks.

Sure.

[REDACTED] - I will keep an eye out, but if you see any emails that come in that are 'Subject: Epstein', please forward to [REDACTED], then file away to the general Epstein folder in the mailbox.

Happy 4th of July weekend,

[REDACTED]

Can you (or delegate someone) monitor the victimservices mailbox in case we receive emails from victims and/or legal counsel?
