Hi [REDACTED],

Great to hear from you. I'm sure you have your hands full with the Epstein case; it must be great to have an insider view as things continue to unfold! I'll be here on Monday, see you then!

Hey [REDACTED] !!! Hope you are doing ok! So I have been back and mostly at 290 working on the maxwell / Epstein case. I plan on being at Chelsea monday and will touch base if you are there.

If you need anything from me please let me know.

See you soon!

All,

Attached you'll find photos of our new squad space, hopefully you'll be pleasantly surprised. Not depicted: equipment room, major case breakout room, and large shared conference room.
