Hi Bruno - I have bad news; I also sent Andrea an email about tomorrow. So I'm being advised that I'm not supposed to discuss any FBI on Zoom regardless of FBI or personal device. So I'm going to have to miss tomorrow but am working out details with Andrea to do a presentation another way in the near future. But I'm glad that you will be able to meet Brittany and Brad!

Bruno- I spoke to Andrea this morning and I will probably be doing a more detailed training of my role later; so this may be more Brittany & Brad. I will definitely contribute what I can regarding Epstein - but since it is still an active investigation I half to be careful.

But I told both Brittany and Brad they are really who everyone is excited to meet!

Hey Brittany,

We would like you guys to mainly focus on the Epstein case although some of the questions that myself and the staff will have for you may not just be in regards to the case and may be regarding your profession and experiences. After introducing yourselves I believe Keryn will lead the discussion and we will ask questions which you can all take as long as you'd like to answer them.
Let me know if you have any other questions.

Thank you!

Hey Bruno,

Looking forward to tomorrow. How long would you like us to speak? Is there a specific topic, or just Epstein in general?

Thank you!

Hi Bruno - I hope you are having a great week so far. I am reaching out to touch base in preparation for Thursday. Can you give us an outline of the expected discussion?

Also we are not allowed to do zoom on FBI devices - so I want to make sure I'm prepared on another device.

Talk to you soon-

Good Afternoon Brittany,

It's a pleasure to meet you. Firstly I just wanted to say thank you for everything you and Angela do for the survivors.

Secondly I had just reached out to Keryn, who is our Community Educator and Family Advocate at the Child Advocacy Center in Suffolk County, and she is wondering if Thursday the 23rd of July works for everyone at 9am? Please let me know whenever you can.

Thank you again.

Hey Bruno - I have spoken to Brittany and they can join me; but unfortunately not on the 20th. Can we try another day? I have copied her so it will be a little easier to coordinate.

Talk to you soon!

Hey [REDACTED]

Do you think we can move the discussion for Monday the 20th? It would be anytime from 3:30-4pm if that works for you. We would love if Brad and Brittany can chime in as well. Let me know whenever you can.
Thank you.
