Perfect. So they can submit the claim directly online or they need to send paperwork to you that you will submit?

Hi Brittany - they need to complete www.ovs.ny.gov

Please note they need to apply before we can ask for any sessions to be reimbursed. Once submitted it's only taking around a week to be approved by OVS.

Call me if you have any questions.

Thanks

Ashely Moore at Mind Body had questions about victims comp, so I told her that I would reach out to you and have you contact her directly.

Can you send me the application that [REDACTED] need to fill out in PDF? I will have it filled out and returned to you as soon as you send it to me (again).

Thank you!!
