Oh did you watch the Epstein documentary on Netflix? If not you should. It was good.

Oh Katherine's last day is at the end of the month. I heard they are going to announce her replacements soon.

Hi Elizabeth - I hope you are doing ok!! I apologize for reaching out to you regarding this but it has become a circus with this particular claim. I copied you on another email that I'm told that the case is good to go then I'm receiving the below. This has been going on since January. I have sent the FBI verification form at least 3 times in addition to the other paperwork. Cassidy told me back in March the therapist would start getting paid; and now we are in June and it is still at this point. I'm not sure what to do. Any guidance would be greatly appreciated.

Thanks so much -
Angela

Hi Angela,

I just tried to call your office.

You are not listed on this claim as the Victim Advocate or Authorized Representative on this claim.

We need a copy of a police report listing the victim as a victim and a copy of the birth certificate. Neither has been received at this time. The police report we have on file does not list the victim as a victim. Please resubmit these items and the claim can then be processed.

Sorry for any confusion.

Hi Kimberly- I just sent you another email. I sent the FBI form several times already; this is really unacceptable. I have been told the case was handled.

Thanks
Angela

Good Morning,

Steven Fletcher sent me your contact information and said you were looking for information regarding Claim# 798050. I still need the Police Report and Birth Certificate for this claim. As of today I haven't received either one.

Stay safe and healthy
