What specifically are you going to speaking about? And in what context will the Epstein be discussed? What platform will be used? Who is the audience? I know there are a lot of questions, but because of the topic, I would suggest obtaining concurrence from your CDC and the case agent, maybe even USAO? Depending on the topics and the platform...I'm on a call until 3:30 and am available after.

Thanks,

Bruno- I spoke to [REDACTED] this morning and I will probably be doing a more detailed training of my role later; so this may be more [REDACTED] I will definitely contribute what I can regarding Epstein - but since it is still an active investigation I have to be careful.

But I told both [REDACTED] and [REDACTED] they are really who everyone is excited to meet!

Hey [REDACTED]

We would like you guys to mainly focus on the Epstein case although some of the questions that myself and the staff will have for you may not just be in regards to the case and may be regarding your profession and experiences. After introducing yourselves I believe Keryn will lead the discussion and we will ask questions which you can all take as long as you'd like to answer them.  
Let me know if you have any other questions.

Thank you!

Hey [REDACTED]

Looking forward to tomorrow. How long would you like us to speak? Is there a specific topic, or just Epstein in general?

Thank you!

Good morning [REDACTED]

I will double check with Keryn and will send you all an email later with the details.  
Thank you.

Hi [REDACTED] - I hope you are having a great week so far. I am reaching out to touch base in preparation for Thursday. Can you give us an outline of the expected discussion?

Also we are not allowed to do zoom on FBI devices - so I want to make sure I'm prepared on another device.

Talk to you soon-

Good Afternoon [REDACTED]

It's a pleasure to meet you. Firstly I just wanted to say thank you for everything you and [REDACTED] do for the survivors.

Secondly I had just reached out to Keryn, who is our Community Educator and Family Advocate at the Child Advocacy Center in Suffolk County, and she is wondering if Thursday the 23rd of July works for everyone at 9am? Please let me know whenever you can.

Thank you again.

Hey [REDACTED] - I have spoken to Brittany and they can join me; but unfortunately not on the 20th. Can we try another day? I have copied her so it will be a little easier to coordinate.

Talk to you soon!

Hey [REDACTED]

Do you think we can move the discussion for Monday the 20th? It would be anytime from 3:30-4pm if that works for you. We would love if Brad and Brittany can chime in as well. Let me know whenever you can. Thank you.
