Hi [REDACTED] I am reaching out with [REDACTED] who is the case agent for the NY Epstein / Maxwell investigation. She spoke to the SDNY AUSA's who suggested that she be present at this meeting if possible. I told her I wasn't sure of the details but that we are going to have a call next week; is this call one she can be on with me? Or if not - would you like to discuss with her at another time?

Thanks so much!

[REDACTED],

[REDACTED] sent us the latest VNS list. [REDACTED] and I will review and compare against the multiple lists we have. Can we connect early next week?

What is your availability on Mon or Tues?

Good morning. Are you both available for a telephone call this afternoon? Preferably, after 4:00pm.

[REDACTED], who is copied on this email, is assisting me in coordinating the JE victims' meeting. I have attached the JE victim list [REDACTED] provided me last year. We want to be as inclusive as possible when meeting with the victims and insure we have the most complete, up-to-date victim list so no one is left out. Mr. [REDACTED] advised you both would have the most up-to-date information.

Thanks
