- There was an article out on June 1st regarding the civil litigation for Jeffrey Epstein's estate which stated the specifications for which victims would be awarded. This article stated the FBI offering services which had members of VSD Executive Management and DOJ confused since it appeared like the FBI was part of the settlement conversations. If any questions or calls come in VS [REDACTED] has specific details of the agreement; and the FBI reference was regarding services that have been identified by the FBI NYO
