We have a number of clients who are very interested in therapy. I have separated them by state below.

Florida

New York

Remind me of the name of the Center near Wall Street. I think that would be perfect for [REDACTED] and [REDACTED].

Finally – [REDACTED] is currently living in India. Is there anything that can be done to help her? Would she still be eligible to receive 6 free sessions over there? Are there any resources that can be offered in India?

Let me know when you have a few minutes to talk.

Thank you!
