ADDITIONAL DETAILS

In 1992, C/V states when she was 17 y/o she met an unknown female in Central Park who offered her a dog walking position. C/v states the female brought her back to a residence at Central Park West to meet her boss (Jeffrey Epstein) to be interviewed. C/v states while there she was offered something to drink. Afterwards, c/v states she felt dizzy and shaky. C/V states she remembers feeling tired and leaning back. C/v states she remembers waking up in a room with someone heavy on her chest. C/v states she fell asleep again and remembers being brought to the bathroom to wash up. C/v states there was bleeding in her vaginal area. C/v states 2 women helped her get dressed and being sent away in a cab.

C/v got Rape Hotline number from a Sexual Assault Hotline
