Unfortunately, we need those on every claim. On the application, there is a section on the front page to write a little blurb as to why the victim is applying after a year and why they reported to PD after a week. While I totally understand both answers to the questions in these cases, if the sections on the claim are not completed, the victim must fill both of those out. This will be the same for all of the victims if that section is not filled out. All that needs to be put in those spots on the app are something as simple as "victim didn't come forward/ victim was afraid to report." Unfortunately these forms are legal forms and we cannot approve a claim without either the app part filled out or the late OVS filing and late PD reporting form. If you have any new applications coming in, just make sure the section is filled out and then no forms would be needed. Let me know if you have any questions.

Thanks!

Thanks [REDACTED]! I just spoke to their attorney [REDACTED] and she said that the letter was requesting a form stating why the claim was submitted late. Do you need that or knowing this is the Epstein case resolves that question?

We really appreciate all of your help!!  
Have a great weekend!

Hi [REDACTED]

I will work with the processing unit to get these assigned. Can you send me over a copy of their apps just so I can have them too and personally follow up to make sure these get addressed.

Thanks!

Hi [REDACTED] and Intake- I am following up on two applications that you have asked for the FBI case #; I can't find the other email but I believe it is this one [REDACTED] I wanted to touch base to get these applications opened. The case agent interviewed them both and confirmed they are both victims of Jeffrey Epstein 31E-NY-3027571. Both date of crime occurred between 2003 and 2004.

Please let me know if you need anything further for these two cases.

Thanks so much!

This working from home is so difficult. I can't even imagine how it must be for you all!! Thank you so much Cassidy!

Hi [REDACTED]

I am not assigned that victim as we didn't even have the claim application yet. That application attached will be added to the list to be data entered. At that time, it will be assigned to me. Looking at the app, it will be rejected. We need the crime date, date reported, county of occurrence, and the FBI case # for it to be assigned to me.

Thanks!
