Hey,

Send the documents over and when I'm in the office on Thursday, I will see if I remember how to do so.

Thanks,

[REDACTED] - so I'm working on my PTS and wanted to see if you could help me ; or tell me if there is a way to upload victim list into PTS. I know you were able to upload the Epstein victim list; and wondering if we could do the same for a cyber case. Remember the one that the agent reached out back in February for help? I have several list that I called; probably almost 200 victim companies. What do you think is the best way to get into PTS?

I really appreciate any guidance or assistance!  
Thanks

Hi Ladies - I have attached the most updated list. I have attempted to reach out to everyone. My notes are at the far right of the list. If I receive any calls from messages I left - I will continue to notify you of any new updates.  
Everyone that I spoke to was very grateful and wanted me to tell you thank you for your hard work!
