Hi All,

Is it unusual or concerning that two different firms within the same week are claiming to represent same clients? Brittany from Brad Edwards' firm included two of the three that you say attorney Josefsberg listed:

- [REDACTED] (which I assume is the same person as listed below but with yet another spelling of last name.
- [REDACTED] (assuming this is same person Edwards listed as [REDACTED])

Also, below is the full list of victims we had listed for attorney Josefsberg. Is he saying he only represents the two above? In that case, we may now be lacking contact info for many of the below....

[REDACTED]

Thanks,

Yes Spencer. We gave them what we had sent out last year for our victim briefing but we have seen some additions and changes with representation. They have sent us names with missing contact information so that is why I am confirming with each law firm to ensure every victim receives an invite.
