Hey Bridget- hope you are doing ok! The victim in this case has resurfaced and her attorney called me to see if we could assist in connecting her to therapy referrals. What do you think is the best way- would you like me to give her your number?

Thanks again for your help!

Hi Bridget - there are some things going on with her so you may hear later this week. I spoke to her attorney yesterday and he's going to also reach out to her. I appreciate you reaching out to her.
