Hi everyone – I have reached out to all of the numbers below. The numbers in red are not working numbers so please remove. ████████ wants to be removed from the list. The two emails for ████████ and ████████ are at the end – I wasn't able to include in the chart.

Subject: Epstein Victim - Unknown Contact Information

Hi ██████ and ████

In order to send invitation regarding the briefings, I need some form of contact information (phone number, email, or address). Do you have information for any of the below victims? If so, could you please send it and notate if they have hired counsel to represent them?
