Hey [REDACTED] - I'm sorry I'm in miami for work on the epstein case. I think doing it on my phone may be the issue. I will try to finish this weekend on my computer. But yes I will extend a year.

Hi [REDACTED]

Still happy to help you navigate the survey whenever you have a free moment!

In the mean time, would you mind letting us know if you would like to extend another year on VSRT? You had not yet reached that question, and we are in the process of determining our team needs for the next year. Thanks so much! 😊

Respectfully,

Hello,

You are receiving this email because **you have not yet taken the VSRT Survey**. In an effort to ensure VSRT is fully prepared for future deployments, we would greatly appreciate if you could take the survey at your earliest convenience!

We are requesting that everyone complete this survey, to include HQ VSD federal employees and HQ VSD contractors, as this survey is looking to identify any involvement in supporting VSRT as well as specialized skill sets to assist in future deployments. Even if you have not deployed, you may have supported VSRT through serving in the SIOC command post or assisting with PE return weeks or months after a deployment. Additionally, you may have specialized skill sets (i.e., language skills or cultural knowledge) that may be helpful for future incidents.

To access the survey, please select this [link](https://www.surveymonkey.com/r/Vsrt_Survey_2020) or copy and paste the following link into your Web browser: [https://www.surveymonkey.com/r/Vsrt\\_Survey\\_2020](https://www.surveymonkey.com/r/Vsrt_Survey_2020).

Should you have any questions, please do not hesitate to reach out!

Respectfully,
