Hi [REDACTED] - I will ask VSD but I am not sure since all were instructed approval from VSD had to occur prior to any treatment. Let me ask and I will get back to you

Good morning Angela. I hope this email finds you well. I wanted to ask if we would be able to seek reimbursement/payment for treatment received by victim [REDACTED]. She is a Florida Epstein victim who does not have health insurance and has paid for her treatment on her own. Below is the name of the Counseling Center and the visits.

[REDACTED]
Therapist Shelley Kavanagh, LCSW
4804 W. Commercial Blvd.
Tamarac, FL 33319

Dates of service:

July 27 (2hrs @ \$150), August 3, 10, 20, 27 (4 hrs@ \$150) - \$900 – Paid (Let me know if you need a zero balance invoice from provider)

September 3, 7, 18 and 28 and October 17, 30, - \$975.00 – Still outstanding.

I know that she had an appointment November 21, but I do not have that invoice.

I have attached two invoices here. The first invoice for \$900.00 has been paid in full and the second invoice remains outstanding.

I believe that you have already interviewed the victim. Please let me know what else would need to be done to get this approved and paid.

Hope you have a wonderful Thanksgiving.

Thank you!
