Hi. Please give me a call when have a moment. Perhaps I misunderstood, but during prior conversations you explained that VSD was providing therapy of Florida victims who did not have health insurance. [REDACTED] does not have health insurance and has been getting treatment out of pocket. She inquired as to how she can get the 12 sessions previously offered by the FBI.

Thank you,  
Maria K.

Thanks [REDACTED]. I know that the client seeks to continue treatment, if that makes a difference, perhaps they can pay for future treatment with same provider.

Thank you!

Good morning [REDACTED]. I hope this email finds you well. I wanted to ask if we would be able to seek reimbursement/payment for treatment received by victim [REDACTED]. She is a Florida Epstein victim who does not have health insurance and has paid for her treatment on her own. Below is the name of the Counseling Center and the visits.

[REDACTED]

[REDACTED]

[REDACTED]

Dates of service:

[REDACTED] (2hrs @ \$150), [REDACTED] (4 hrs@ \$150) - \$900 – Paid (Let me know if you need a zero balance invoice from provider)

[REDACTED] and [REDACTED] and [REDACTED] - \$975.00 – Still outstanding.

I know that she had an appointment [REDACTED], but I do not have that invoice.

I have attached two invoices here. The first invoice for \$900.00 has been paid in full and the second invoice remains outstanding.

I believe that you have already interviewed the victim. Please let me know what else would need to be done to get this approved and paid.

Hope you have a wonderful Thanksgiving.

Thank you!
