Good morning,
I just want to follow up as we are hoping to get our agenda solidified so we can begin to circulate it to elected officials, attendees, press, etc. The Conference is 4/15 via zoom and the workshop timeslot would be 50 minutes. We are very excited about your topic! THANK YOU!

What we need next would be:

- *Workshop Title
- *Brief Workshop description
- *Speaker bio(s)
- *Any time constraints for that day

Thank you!
Jessica St. Germaine

Good evening Brittany,

That sounds VERY interesting! That would be great! Our next steps would be:

- *Workshop Title
- *Brief Workshop description

Also, does a certain time work best that day? We will do our best to accommodate!

Thank you,
Jessica

Jessica,

I am able to present on April 15. We typically present on litigating sexual abuse and human trafficking cases using the Jeffrey Epstein case as a case study. If that sounds interesting to you, then let's do it 😊

Good morning,

I hope you are both well! I just wanted to check in to confirm whether you would be able to present at our 2021 Suffolk County Campus Sexual Assault Prevention Enough is Enough Conference on April 15. I am happy to set up a time to speak on the phone or zoom to discuss more about the Conference or what it entails.

We are hoping you are able to present a workshop for approximately 50 minutes via zoom or pre-recorded video.

Thanks so much!

Hi all!

[REDACTED] thank you again for connecting us and for your help with this!

Brittany, thank you also for agreeing to speak at our 2021 Suffolk County Campus Sexual Assault Prevention Enough is Enough Conference! It will be held on April 15 on Zoom. The workshops are each 50 minutes in length and begin on the hour at 10am and the last one is at 1:00pm. We will provide a full agenda for the day as we get closer. We have not scheduled any workshops to be at certain times yet so if a certain time works best for you, please do let us know! I have included Jessica Caturano who is our Coordinator of Support Services and puts these Conferences together to be the wonderful, educational events they become. Is there a set title and description for your presentation or is that something to be developed? We really look forward to hearing from you on this important topic!

Thank you again!

Hi Jessica- I spoke to Brittany Henderson who stated that she and Brad could speak at the Zoom conference on April 15th. I have copied Brittany so you can coordinate directly.

Brittany- thank you so much for doing this! Jessica is amazing and helps me with so many of my cases. The Crime Victims Center staff are all wonderful so I really appreciate you helping with this.

Thanks again!
