Hi [REDACTED] – I am reaching out regarding our previous discussion about assisting with the Maxwell trial. It is scheduled for 11/29 and anticipated to last several weeks. The case agent has asked for assistance with transporting victims before and during the trial. Per our earlier conversation you stated that it is indicted and I should not be assisting. Has that policy changed as I saw that my colleagues assisted with victim transportation on another indicted case.

Please let me know so I can coordinate with case agent/ investigative team.

Thanks
