[REDACTED] – my understanding is that [REDACTED] submits the formal request to the Discovery person; but she needs the names/ cell numbers to submit it? We need to ask the VS their cell number and the victim they spoke to/ cell. [REDACTED] always sent them to the group but I can send today if that is easier for you?

[REDACTED] – do you have specific language you would like us to ask the VS? Or would you like to send out and copy us?

Hi [REDACTED] – thank you. Is [REDACTED] supposed to send a request for this information? If so, she could send it to me, and I could forward to the VSs noted below. Since HQ/OGC is involved, I can help ensure that VSs adhere to the request.

Do you have case #s to include?

Thanks,

Hi [REDACTED] – I have went through emails/ notes and the below are the VS that I know have assisted victims with this case. Would you like to send out the email requesting the information or should I? Maybe we can ask if they are aware if any other VS in their AOR assisted as well?
