I didn't drive just helped get through security at the courthouse. So they are identified as a civil litigation victim ; but haven't met with the FBI. I knew something was up when I told [REDACTED] they wouldn't give us names after I asked 3 times.

Also [REDACTED] is asking me for language to request funding for victims to attend a briefing. [REDACTED] handled that for Epstein. Do you know where I would see a pony of that ?

Also happy Hanukkah!

Thanks [REDACTED]. That's pretty unfair for attorneys to ask you to transport people who were not identified as victims during the investigation. They could call them an Uber!

[REDACTED] - this victim today has not met with agents nor identified as one from us. The attorney's called me last night to escort them and didn't tell me which victim. I didn't really provide anything other than escort.

Oh yes, thank you. I will include Petito case. Would you please do a daily report for the Maxwell trial and the services being provided? Especially since it's now at the AD level we should keep her informed.

Thanks!

Hey [REDACTED] I would also highlight the Gabby Petito case. What do you think? Also – I was at the Maxwell trial this morning – escorted a victim and her two attorney's.

Thank you [REDACTED] and everyone.

I am contributing to the briefing for incoming NY SAC and need to provide updates on any high profile cases being worked by the VSs. I'm thinking of the Maxwell/Epstein case for [REDACTED], [REDACTED], do you think this hate crimes case would be the most high profile for you right now? [REDACTED] which case would you prefer I use for your AOR that would be high profile for a new SAC to learn about?

Thanks for all your hard work.
