Hey [REDACTED] hope you had a nice holiday! I have had such a crazy week and this missing persons case is getting busier. I'm waiting for a call how about 1pm?

H [REDACTED] – hope your week is going well. Quick question: are you planning to attend the Epstein/Maxwell trial or only [REDACTED] from USAO? I just sent a daily report and [REDACTED] inquired if a VS was attending the trial. I know it's 2 months away....

Have any time to catch up today? I'm free except 2-3.

Thanks!
