[REDACTED] - I just sent her an email. I actually have something going on regarding the Maxwell case and the sac may be calling me. How about I call mm and tell him definitely next week?

Hi [REDACTED],

If [REDACTED] cannot get a secure line for this, what should we do? Wait till after the New Year when the IT staff at our office will be back in and then we can do a WEbex or something with him? I am reluctant for us to use your supervisor's line if we are really not supposed to. What do you think?

All best.

I don't have a conference number. Damian - do you have one? If not, I can ask IT for one

[REDACTED] - my boss just called me asking if there is another number we can use. She says technically since it's post indictment we aren't supposed to use our line. If not we can use. Let me know your thoughts.

Hi [REDACTED] I know you are off today but when your back tomorrow - can you help me get a conference line to use Wednesday? I have a el Chapo victim that the edny is asking me to set up a call with him. I wasn't sure how to get a conference line.
