Good morning [REDACTED] - I was hoping to go in later but with the flooding doesn't look like it ; still waiting on my covid tests. I wanted to find the email from Amanda about the emails before we talk. Can we talk tomorrow so I can find the email tomorrow morning?

Thanks

If it's been ongoing for months, my best guess is allergies. keep me posted and all my fingers and toes are crossed for negative test!

We're they vaccinated too ? The last few months I have had such a rough time with my allergies I'm ready to be stabilized.

How's 2pm? Maxwell's trial is scheduled the week after Thanksgiving. We can discuss more tomirrow but A heads up they are asking for all VS communication with victims. [REDACTED] spoke to someone and I need to find that email. She said the case agent needs to make the request but we will need to provide names and numbers and emails.

I looking forward to talking to you!

Hey [REDACTED] so excited you are back to VSD! I'm out today - just got covid tested. I'm not feeling well yesterday and today and think it's allergies/ cold but want to be safe.

I hope to be back in the office tomorrow but either way can we set up a time to discuss? Not sure if [REDACTED] filled you in on Epstein /Maxwell case?
