We're they vaccinated too ? The last few months I have had such a rough time with my allergies I'm ready to be stabilized.

How's 2pm? Maxwell's trial is scheduled the week after Thanksgiving. We can discuss more tomorrow but A heads up they are asking for all VS communication with victims. Amanda spoke to someone and I need to find that email. She said the case agent needs to make the request but we will need to provide names and numbers and emails.

Looking forward to talking to you!

Hi [REDACTED] good to get tested. I know a few people who thought was allergies and it was COVID. Hope not your situation!

Tomorrow I'm good until 10:30 then after 1:30. What time works for you?

Hey [REDACTED] so excited you are back to VSD! I'm out today - just got covid tested. I'm not feeling well yesterday and today and think it's allergies/ cold but want to be safe.

I hope to be back in the office tomorrow but either way can we set up a time to discuss? Not sure if [REDACTED] filled you in on Epstein /Maxwell case?
