OK thanks. I re-read the request for the conference line. This is for the USAO to speak with the victim? Is this case indicted yet?

What is the purpose of the call with the victim?

Feel free to call my cell if easier. thanks.

Hi ████ - I know you are off today but when your back tomorrow - can you help me get a conference line to use Wednesday? I have a el Chapo victim that the edny is asking me to set up a call with him. I wasn't sure how to get a conference line.

Thank you for your help!
