Can I have the last name and DOB or some identifying factors so I can search? I will also check in with the file room. If the victim called, they may have spoken to the call center, which only can see what is in the system

Hi [REDACTED] – hope you are having a great week. I just had a call from this victim stating she called ovs and they didn't have her application. Do you need me to send it over again? I really appreciate your help with this case.

Thanks so much-

Hi [REDACTED],

I've collated all the receipts from my counseling and medical expenses into one document, and have attached it here.

Could you please pass it onto OVS?

Also would you mind confirming receipt of this?

Many thanks,
