Hi Jill,
Can you please put us in touch with the agents who will be scheduling the interviews? Then we can perhaps divide and conquer.

Thank you,
Laura

Hi Angela and Laura,
It looks like the victims from this attack are in the Williamsburg area in Brooklyn.
WFO is looking to conduct interviews in the next two weeks. I have limited availability due to overseas travel.
I'm not sure whose AOR includes Brooklyn. Do either of you have availability to support interview? There are 4 families impacted by the attack.
Thanks,
Jill

Hi Leilani I just sent you a link with a therapist I know from Safe Horizon and she saw a couple of Epstein victims. Her name is Amy Edelstein. This phone wouldn't let me paste the link to this email. If you need any other help let me know. If you call her tell her that I referred you.

Subject: Request for Crisis Counselors/Centers for Jewish Victims

Hello and Happy Friday!

I am assisting Jill with a case involving a terrorist attack that occurred in Jerusalem last weekend. There's a husband and wife (PNI) who are having a real hard time and even telling their family they don't think they can work. In speaking with one of the victim's mothers, she is working to identify counselors/therapists within the Jewish community and I told her I would as well. I wanted to know if you had any vetted resources in Brooklyn where they reside. Please let me know if you need more information. Thanks!
