Yes, it is. Would it be possible to get a FBI verification form for her?

Hi [REDACTED],

The victim I have is a [REDACTED]? Nothing really came in with the claim so my info is pretty sparse

Thank you [REDACTED].

In regards to Epstein there are some that state they are victims that never spoke to us / and identified as victims. I can look up the name to see if they are or not.

Hi [REDACTED],

You are correct. We have a Mental Health Treatment Form that we can send to the therapist.

Another off topic question for you- I have a claim from an Epstein victim that was not put in by your office. I think she put it in herself. Should I refer her to you or can I see if you guys already have her listed somewhere? I am trying to get some sort of Criminal Justice report.

Thanks!

Thank you so much for your help.

I am about to submit another claim for One Taste and the victim has the question about how therapist are validated. Does she need to have the therapist write something or I told her I believe OVS sends a standard form to the therapist – is that correct?

Hi [REDACTED],

Once a claimant is eligible for counseling, they can send in any bills or receipts they may have. The therapist can request reimbursement as well, rather than go through the claimant. The provider can send an email to [REDACTED] with the claim number and attach the bills/explanation of benefits, etc. Our Med unit will reach out to the provider for the needed Mental Health Treatment form. Please let me know if you need anything else!
