Subject: [EXTERNAL EMAIL] - Re: When is the FBI going to come clean

Importance: Normal

I will not survive without some form of justice.

Justice=being paid compensation instead of watching the culpable coconspirators and liaryers [REDACTED] steal it all

Justice=Having the world know the truth about all of it!!!

Justice=not being lied about bc of the lawyers I fired. I'm not only not "CIA", I'm effing sick/old/poor!
This joke played on me/[REDACTED] by [REDACTED] was DEVASTATING TO MY MIND/soul/survival.
Justice=Podcast mobsters stop speculating about mine and [REDACTED] suffering
Justice=MY FOIA REQUESTS ARE MET
Justice=all the art stolen by FBI out of safe is returned to the artist, ME!
Justice=FBI APOLOGIZES AND COMPENSATES ME/[REDACTED] since we are the only two they worked with in 2006. They worked with us bc of my reports!

I REQUIRE JUSTICE.

I'm embarrassed for [REDACTED] that I have to fight to receive compensation. It's really ugly to do to a sick client you used and abused. Really devastating to my health and steals my will to stay alive.

All those adult sex workers who committed crimes 6-23 years received all the compensation. Not one did her civic duty bc CULPABLE (duh!) So if everything was about "sex"/"rape", why am I uncompensated for having my body torn in half?

Can someone kindly explain?

I'm pictured here with the man I loved DEEPLY and whom I had to leave to hide, [REDACTED]. He died from cancer days after our case broke, so I never got to say goodbye.
[REDACTED] said I wasn't "raped", so I was worthless. Why did he write a chapter about me in his book if I'm so "worthless"? Why was I used to file the affidavit? Why not use one of those rich JANE "Doe" long term ADULT sex workers? Rhetorical.

Everyone can keep pretending I'm dead. I'm not dead. I am very much waiting to receive an ounce of justice. My health is so poor that the Dr took my BP 3x bc she couldn't believe anyone has it that low. I have to get it up before surgery on the 2nd. She's the first Dr to cry to me about my poor health. No one even cried when I had the second cancer diagnosis just after our case broke.

Not one adult long term sex worker had to do a thing to assist this case. Why was I used during cancers for four years if you never intended to compensate me/[REDACTED]?! WHY DID YOU USE US [REDACTED]?!

It is insane to me that I am the person not compensated for suffering, considering I fought power solo ages. I falsely assumed goodness is rewarded in this realm. I didn't realize lawyers intended to reward ppl based on their criminal records, meaning the more crimes the more money! ALL OF THIS WAS ILLEGAL UNETHICAL DEVASTATING.

ALL OF IT.

1996-till now!

[REDACTED]...it was also illegal for [REDACTED]/[REDACTED] to lie their asses off to us about my compensation appeal. They cost me everything. They took everything, then only rewarded the most culpable adult criminals. They used a literal terrorist to steal at least a mil. Only ruthless adult sex workers received 3 mil each and [REDACTED] is fighting like crazy to get them gazillions more from the estate [REDACTED]. 🙄

You could easily fix everything you/Stan/Simone/[REDACTED]/[REDACTED] broke.

🙏🙏 Will I survive long enough? Why am I the only one not rewarded for my valor? Why does the FBI still pretend I never reported, even though I have the redacted 2006 report which makes it clear they sought my testimony concerning my 1996 reports. Why won't a soul in the government do the honorable thing and provide my reports?! They caused so much cancer. When do I get an ounce of erased valor?

[REDACTED] stole my mind via his only law partner, then screamed at me when I insisted that man never be near another female. He said I wasn't worthy of a mil bc "not EVEN raped", then claimed the professional adult "sex workers"/pimps are priceless bc "raped". They took a job as professional prostitutes and you are rewarding them per "rape"? When does the person who brought this case forward get one ounce of respect?!

The adult coconspirators were paid according to how long they committed crimes, just as Epstein paid everyone. I wasn't compensated bc I wasn't an adult sex worker?! Please help this stop. [REDACTED] stayed 13 years committing crimes against women. They have paid her tens of millions [REDACTED] stayed six and copiloted the human trafficking plane. The lawyers didn't feel I deserved enough for surgery.

The podcast mafia credits itself with erasing my valor. They claim I'm a "CIA" agent bc [REDACTED] SODOMIZED me and bc he and [REDACTED] made me sign an LLC in 2017, claiming it would provide a "few hundred dollars" for medical needs. It never paid \$1, but the crazy [REDACTED] crowd fully claims I'm a proven CIA agent bc of that LLC.

[REDACTED], when do you stop watching the abuse? Do you always just SIT THERE EATING SALT? Or do you pretend to be a human who cares about [REDACTED], [REDACTED], [REDACTED]...the 3 you used most?! YOU MADE A FORTUNE BC YOU USED US. Everyone sees it all, including GOD.

THIS GOVERNMENT AND THE CROOKS WHO MISREPRESENTED WE VICTIMS, both will fail ultimately. GOD IS GOOD. How can evil continue to prevail?

Everyone believes the defamation written about me! FIX IT NOW [REDACTED] BOIES!!!!!!!!!!!!!! YOU CREATED MY NIGHTMARE AND I AM BACK IN HIDING! These criminals claim I wasn't in hiding 23 years! They even stole my suffering FFS. FIX IT BEFORE I DIE.

This man has never met me. He called once from [REDACTED] number and I hung up immediately. These ppl are demons and the government just sits there watching!!! 🤡🤡🤡

SOMEONE PLEASE DO SOMETHING.
