You don't know anything because of her. Because she's been seeding false info into the Epstein case on behalf of the CIA since her entrance publicly in 2019.

Almost everything she says has been a lie. So she has shown you zero fact. She may as well have abused the girls herself.

Johnny Vedmore x Addy Adds / 20 min mark Epstein reveals kick in / [redacted] / 32 min mark teaser upcoming bombshell reveal

The second pod is one hosted by Addy, whom I met and befriended during the Maxwell trial. His guest, Johnny Vedmore, is Whitney Webb's boyfriend (and cute British baby daddy) My friend Nadia tuned me onto him last week and I liked him instantly. As a SA victim himself, he explains why he has a personal stake in hunting pedophiles.

"EVERYTHING I BELIEVED ABOUT THE EPSTEIN CASE CRUMBLLED"

The basis of this conversation revolves around an article he has yet to publish, but plans to release next month. Information he says no one has uncovered previously. He also claims that one thing he discovered is explosive enough to possibly overturn Ghislaine Maxwell's guilty verdict.

The operation (blackmail) is "still ongoing," he says and swears one thing he found will "break part everything."

We are sick of being abused! Sick of it. When am I provided enough protection to live a life? What about [redacted] Why did I risk my life for authorities, only to be erased?
All the culpable JANE-long-term 6-23 year employees are fully safe! No one forced them forward! They received millions so if they had been brought forward, they could afford to protect themselves.
I wasn't provided safety, compensation or even an ounce of valor as FBI sits on my files and refuses to protect me. RELEASE MY 1996 report before I die. Please!
🔥 My entire life was stolen by FBI/NYPD, via not protecting me! I am unsafe and no one of authority has ever cared. Everyone cared to take my testimonies, then abandoned me with criminal stalkers and zero credibility as the whistleblower I am.
It's very unsafe for me and not one person will assist. When does it end? Jennifer I cannot take any more [redacted] Do I just not get to live a life? Is that it? 😭😭 While crazy conspiracy theorists claim they are "unsafe" after using me, taking all my credit...I am literally unsafe!!! It's been made clear to me I never mattered as more than someone for authorities to use/discard. David never protected me. He used me ragged during cancer treatments, and then asked Sigrid to shame me for truth. Then he used [redacted] and my mother ragged to save face after harming Rose McGowan! Then both Sigrid/David blatantly lied to keep me uncompensated. It's been earth shattering and illegal! You broke many FLOIDA BAR laws when misrepresenting me/[redacted] It's unfathomable to everyone. My mother is quite furious with the SAing "lawyers" BEDWARDS/BSF....
"If you are a victim not yet trafficked, we will fix that for ya!"
James respects his clients. Major pivot! Providing the barrister, etc...He doesn't traffic clients to partners. Isn't that wild? 😞
DAVID BOIES YOU STOLE MY COMPENSATION AND MY SANITY, leaving me a broken pile of ruins. My friends/family watched the entire process.
The way you have devastated my life for six years has destroyed what remained of my health. You think be I'm a nobody without money/power that no one will ever care about what you did to me. You think it's ok that you and Sigrid and Brad laughed off the sodomy by your law partner? I have the receipts David.
Ppl will care, maybe not about me. Yet they should care about the only woman who stood up to ALL MOB, including you! I fired you be you weren't tolerable to me during this genocide. Not after the LELCHUKING and lies. Not possible. Not while I see BIPOC murdered. Not ever.

You and Simone/Sigrid/Bedwards caused me a full nervous system breakdown. My family doesn't recognize me. I'm not me. You stole my hopes, dreams and abilities to survive cancers when you lied about an appeal. There is a dirty layer of filth over everything you touch. You destroyed me. [REDACTED] and my mother are the FEDERAL witnesses who watched. GOD IS MY WITNESS.

I know no one of authority or power cares. GOD CARES. I Just needed to keep making records that I have begged for protection. This way there will be a trail if I'm murdered by Maxwell's buddies as promised for many DECADES.

Subject: This was malicious

This was done to cause max harm. Everyone saw it unfold. I'm so deeply sick of being bullied by grifters and conspiracy peddling PODMOBsters! I hope podcasts go away soon. They are too narcissistic and harmful to truth. Why should victims have to look at those faces enlarged? After I begged to not do this. Then she had Webb in solo to prove she could cause max harm.

Jennifer I'm not sure I will survive this entire nightmare. I need to change my name so I can go outside and be safe. I have every reason to feel very unsafe!
