Jennifer,

I'm terrified! Truly terrified bc no one cares if I live or die. I have a man I love hundreds of miles away bc I can't live in the town where STAN SODOMIZED ME! So I don't even have my love in my life in person as I fight cancers/corruption. I do not appreciate needing a very scary painful surgery from an SA, when what I needed was a real lawyer in 2017! This is why I sought you and James. I had no representation! It has been shocking to NYTIMES and ABC. SHOCKING!!!!

I do not appreciate Brad laughing about my brain tumor, ignoring my hysteria over Stan, ignoring my years of plight while LYING that "the biggest thing is coming and you are the biggest part of it Maria." I have his messages in his writing/texts declaring this. Many times. Then he cut me from the case bc I made delirious videos during brain radiation surgery about the CIA SODOMY STAN MANIAC! I wanted women safe.

ME: "Brad your only law partner brutally sodomized me. I'm so frightened for all females."

Brad: "What is any of this MY biz?"

I do not appreciate FBI feigning I'm dead DECADES between using my testimonies, all while Maxwell was threatening my life, after promising in 2006 that ALL WOULD be ARRESTED!

I do not appreciate being used to make intentional adult prostitutes into millionaires! Not one bit.

I do not appreciate David BOIES lying to force me forward. He said he would get WEXNER. I tossed an absolute tantrum and my federal witness relatives can testify to this fact. I DID NOT WANT TO BE KNOWN! Now I'm a living conspiracy theory bc of sloppy not journalists, WEBBMORE.

David used me to face off against DERSHOWITZ & EPSTEIN, only to leave me to be eaten alive by Dershowitz, while in ICU during ABVD CHEMO for Lymphoma! I almost died the night he wrote his first hit piece. The next day you made me face off against the 9/11 witches while I was so delirious I couldn't see!!!! WHEN IN THE NAME OF HEAVEN DOES ONE BIT OF THIS CHARADE END?! I cannot take it anymore. I have patiently waited three full decades for one ounce of justice! Instead, all the culpables I was promised would go to prison are now all millionaires.

I cannot be lied about, vilified, used, abused, and shamed ANY LONGER!!! Sigrid, David & BEDWARDS are much more harmful to victims than Jeffrey Epstein ever dreamed IN MY LIVED EXPERIENCE! (Teresa loved to use that phrase cause she was there almost 15 whole minutes. Then she defamed Virginia! Not one bit of this works for me.) I REQUIRE JUSTICE BEFORE I LEAVE EARTH. I deserve justice. I've worked hardest and been the only victim who did her civic duties aside from those who testified like my sister!!!! I did my civic duties in 1996. 🙏🙏❤️!! BRAD AND DAVID NEED TO COME CLEAN to Jennifer or I will die and now FBI has record of it all!

I have suffered a full nervous breakdown and only my dear mother, God, [REDACTED], [REDACTED], [REDACTED], [REDACTED] even care if I'm alive. I'm letting everyone know, it's your turn to help me now. I've done all I can and was unfairly mistreated and had my compensation stolen, gutting my entire life. I'm not too proud to admit that I was sane until BEDWARDS/BSF, even after all those years hiding solo. I was still sane. I've had EVERYTHING STOLEN now and BEDWARDS declared, "One mil is too much for you Maria bc you weren't even not EVEN raped." Only I was. 🙏
Life is short and mine is definitely being cut short by cancers. When does someone step forward for me?

M

The Rules Regulating the Florida Bar expressly declare that an attorney cannot engage in sexual conduct with either a client or a representative of a client that “exploits or adversely affects the interests of the client or the lawyer-client relationship.”

The basis for this rule stems from a recognition that attorneys have a duty to exercise independent professional judgment on behalf of clients and how the existence of a sexual relationship could severely compromise the ability to do this. It also stems from the recognition that a sexual relationship could severely undermine the mutual trust that forms the foundation of any lawyer-client relationship.

Accordingly, sexual conduct will be found to violate the rule, regardless of when it began relative to the lawyer-client relationship, if it does any of the following:

- Exploits the lawyer-client relationship
- Negatively affects the client’s interests
- Results in a conflict of interest between the client and lawyer
- Negatively influences the lawyer’s independent professional judgment while representing the client
