No one can pretend they didn't know felons were stalking me as a Federal/state witness. I have erased all deniability and ask for assistance instead of opposition. The felons are all working for Maxwell and the royals. I testified for the FBI TWICE against Maxwell! Twice for NYPD as well. Why doesn't a soul care? Do I have to be murdered as the PODmafia is trying to accomplish? The podcast ppl declared me "CIA" and formed a gang of victim stalkers bc BOIES sloppily had me sign an LLC before our case broke and bc BRAD IGNORED HIS LAW PARTNER'S SODOMY. Then BEDWARDS viciously begrudged me my compensation, after making me beg publicly a year. He tried to cut [REDACTED] from compensation to cover his own crimes. Then he just cut me instead.

Jessica Reed Kraus aka HouseInhabit wrote a hit piece on [REDACTED] using a source that is reposted here as saying "Karma." If you google that source even AI tells you he is a 3x conartist who stole money from elderly women. And her best friend Lady Victoria Hervey is giddy on death watch.

Jeffery Epstein

She also begged to see her children 'one last time' before she dies after claiming doctors said she had just four days to live.

Brad Edwards, a US lawyer who represented ██████ in her previous legal cases, said it was a 'very bad situation'.

He told MailOnline they were 'hoping for better news in the coming days' and that he hoped ██████ would pull through with good medical care.

In her Instagram post on Sunday ██████ wrote: 'They've given me four days to live, transferring me to a specialist hospital in urology,' she captioned the photograph.

'This year has been the worst start to a new year, but I won't bore anyone with the details.'

Exposing [REDACTED]

New court filing accuses [REDACTED] of being a fraudulent whistleblower and colluding with lead attorneys to rake in big profits based on lies

Anything [redacted] says should be inadmissible in every court because she lies every second word.

You know I don't blame you. There are so many accusations flying around that we all get slapped in the face here and there.

How Elites Will Create a New Class of Slaves | Whitney Webb x Glenn Beck

Comment Roundup / sentiments I agree with

"It's awesome how Whitney isn't afraid to go after the whole truth. We need more journalists like her who aren't afraid."

"She's on her own level of brilliant."

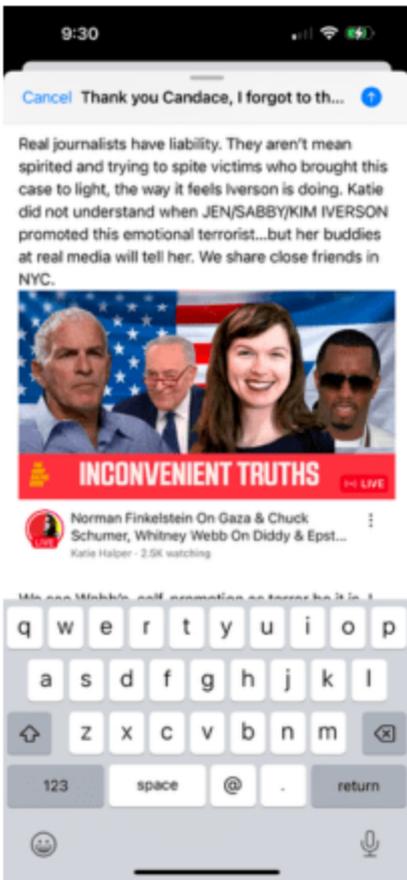

"Words cannot describe how this interview left me feeling...my worst fears all but confirmed for starters. These conversations have to be had...God bless you both for having the fortitude to do so!"

"It's no longer left vs right, it's us vs them" she is right on."

"This woman is like having your very own tour guide to the American swamp."

"I cried with this podcast, the best podcast in my life, even though I knew most of all what Whitney mentioned. I studied metaphysics since 15 years old and know there is a spiritual fight around us."

You don't know anything because of her. Because she's been seeding false info into the Epstein case on behalf of the CIA since her entrance publicly in 2019.

Almost everything she says has been a lie. So she has shown you zero fact. She may as well have abused the girls herself.

[redacted] are pathological liars. Both belong in prison. Great article by Jessica Reed Kraus!

Nick Bryant is calling himself the Epstein whistleblower but he never met Epstein.

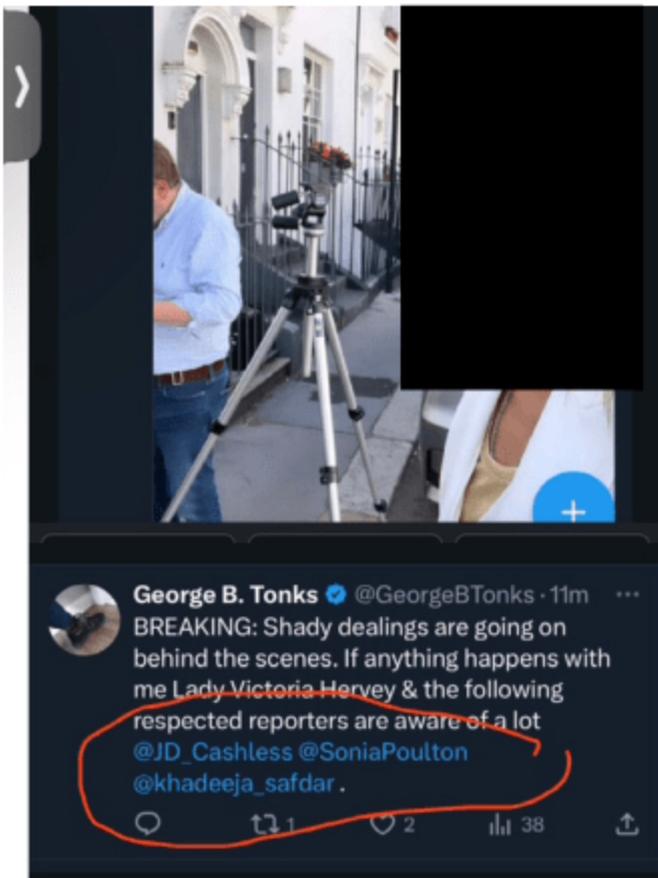

Having done a media smear tour to call [REDACTED] and [REDACTED] liars on the James English podcast, Dan Wootton Outspoken, and Good Morning Britain, the vile and shameless Vicky Herpes has finally stopped posting baseless nonsense about Epstein, Maxwell, Trump and Wexner's accuser and whistleblower

the US attorneys office has been told about this, and they have told the FBI about this stuff. I cannot personally do anything but give the information to them. You are free to consult your legal counsel to ask them what to do and what legal action you can take against Mr. Tonks. Hopefully this will get him to court soon and conditions can be added to keep him off of the Internet. I'm very sorry there's nothing I can personally do.

Ok, I'm just so terrified
