I was supposed to have surgery today to repair damages caused to my body by this "lawyer" at B EDWARDS "law" firm. I'm not strong enough bc of low BP and the loss of [REDACTED]. My Drs need me to wait. IT ALL ADDS UP TO HADES. Brad mocking my brain tumor upon diagnosis, saying I was "simply fat" and sending a scale. The awful things Stan said about [REDACTED] to me before I knew her, it was all abuse. It was unethical and illegal in the state of Florida where BEDWARDS has his firm. I'm sure the stalkers will post this email next. I'm fully hacked! No one assists. I have not had five minutes safety in thirty years and BEDWARDS said I was "worthless" to this case, after dedicating a chapter of his book to me. I smell a lot of rats.

In light of what has happened to [REDACTED], I'm getting everything out bc not one bad thing was mine to hold inside. 1996-now! These ppl in power and authority abused me to no end. I have two federal witnesses as my witnesses, my mother and sister. Three, if you count me since I am the OG witness for this case. I have been undermined, shamed, SAD, and heartbroken by BEDWARDS/BSF.

I feel I need to stay alive to honor [REDACTED] through art. Help me stay alive via revealing every ounce of truth [REDACTED] From the Bedwards to the PODmafia/royals/Trump administration being after us...I will not survive without assistance.
> Why are two felons stalking/harassing as multiple other ppl hired by Royals/Maxwell to harass me are not ordered to stop?! Why is this so out of control? Why did I ever testify against Maxwell to the Feds?! What kind of nation is this?
