Wow it's all EMBARRASSING! Trump was Epstein's bestie whom I reported to FBI. This coverup isn't going to work. As they deny my FBI reports from 1996/2006, they are feigning to seek justice for victims of SA? Trump has how many convictions for SA? 🙄

Today, the White House issued an official proclamation for **National Sexual Assault Awareness and Prevention Month, 2025** — but inside its language was a clearer, chilling signal:

“The world is not ready for what’s coming.”

At first glance, the proclamation focused on domestic concerns — border security, cartel violence, and rising crime under previous administrations. But when you connect the dots with **European blackouts, military operations, the Diddy RICO case, and now Ally Carter’s explosive statement about CPS and Pam Bondi,** a much larger pattern emerges.

I believe we are witnessing the unraveling of a global criminal enterprise — a takedown years in the making.

Let’s break it down:

White House Proclamation: National Sexual Assault Awareness and Prevention Month, 2025

Jeffrey Epstein Arrested for Sex Trafficking of Minors

"I've known Jeff for fifteen years. Terrific guy. He's a lot of fun to be with. It is even said that he likes beautiful women as much as I do, and many of them are on the younger side."

- Donald Trump, 2002

Jessica Reed Kraus aka HouseInhabit wrote a hit piece on [REDACTED] using a source that is reposted here as saying "Karma." If you google that source even AI tells you he is a 3x conartist who stole money from elderly women. And her best friend Lady Victoria Hervey is giddy on death watch.

Jeffery Epstein

I'm starting to get embarrassed for authorities. What exactly do you require to protect Federal witnesses from being stalked/threatened from the White House/Vanity Fair/criminals just off parole?! What exactly is required? My death?

It's quite confusing to unravel and wasn't even believable to me at first. Three decades ago a "journalist" at Vanity Fair began stalking my entire family. She has never stopped abusing truth, me, [REDACTED]. Her son even reached out to inform me she's a "violent alcoholic" who beat him "with pans" and made him attend "adult parties". He was seeking emancipation and asked for my assistance. I was enduring chemo and in no place to assist. She blames me for his disclosing this to me. I'm blamed by her for everything I've ever done. She blamed me bc she didn't publish the article on Epstein, "you placed a heart near your name", implying this erased my credibility!

my credibility

Ward celebrated with HERVEY and KRAUS the night ██████'s death was announced. They will not be satisfied until I am dead as well.

I have already served HERVEY and need to serve KRAUS. HERVEY uses the felon on parole, George B Tonks, to harass me full time since she no longer legally can. I had to hire a barrister in UK to serve Lady Victoria HERVEY, and did so bc of the way ██████ was being pummeled publicly by this gang. The guy was on parole as a convicted federal felon and I'm a federal whistleblower, so they did nothing. Vanity Fair gave a felon in prison my phone number and said felon has NEVER STOPPED THREATENING AND HARASSING. The NYPD, Chicago PD, and FBI have failed us all and now ██████ is gone.

I have been so beaten down the last five years without an ounce of support aside from fellow victims. The podcast mob abused us/truth to advance themselves. Only MSM has assisted. Not lawyers. The lawyers at BSF/BEdwards were busy trafficking 3 of us to their las partner, or misappropriating compensation.

I have likely shared the same images multiple times, yet a picture speaks a lot of words. Brain damage has me forgetting what I have/haven't shared. I think the photos assist in illustrating what this nefarious gang is up to. It matters bc they are all linked to Maxwell and Vanity Fair. As a federal witness against Maxwell, why have I been afforded zero protections? Why are her associates free to harass ██████ to death, while trying to kill me simultaneously?

I attached FBI/NYPD who assisted with our case. No one can pretend I didn't give fair warning before these ppl hunt me down as promised by Maxwell decades in a row.

HERVEY speaks to Maxwell in prison. Why is any of this harassment of witnesses legal and always overlooked? I have filed multiple FBI reports, police reports, etc...to no avail. BOIES/Bedwards were not real lawyers, rather they practiced gatekeeping and control/handling us while handing us to their law partner. 🙄🙄 I will not copy NYPD/FBI again. I just wanted it all on file in case I'm murdered. THEY CANNOT SAY THEY DID NOT KNOW.

I'm unsafe
