#IRONY to be sexually abused by a firm that labels itself a law firm for victims and claims to assist with sex abuses cases. It gets even weirder that these two formally married to other partners "law partners" entwined while "representing" victims of Epstein. The worst crimes ever committed against me, aside from Maxwell & FBI negligence, have been committed by this man's law firm as well as BSF.

> I have had to tolerate a low class ambulance chaser who slept with his creepy law partner, while peddling victims to his other law partner. Then said ambulance chaser had the nerve to tell me I was worthless bc I never sold myself as an adult woman. I WAS DEFILED by a 6 year sex worker of Epstein's bc Sigrid handed out my heavily guarded contact info like candy to coconspirators. I need a break.

It's sickening BEDWARDS and BOIES think sexual intercourse for pay is "rape", while actually being assaulted sexually by one's lawyer is "to be ignored". They think being kidnapped and traumatized by 3 sharp shooters for a summer, leading to a brain tumor, is "not EVEN raped". They used a CROOKED "claims administrator" to tell me I was "worthless" and then lied about the appeal process, leading to my mental breakdown.

I refuse to permit some perverted old men and a FRAT A\$\$ that married his law partner/affair?/LOVER to rewrite history! (We all gag to consider what BEDWARDS/"Brit" did over our documents! 😡) Briefly removing briefs over our briefs?! 😞

THOSE ARE RUTHLESS HEIDI FLEISS TYPES. THAT IS PROSTITUTION! THEY ARE THE CULPABLES whom Epstein called "money diseased". SIGRID GAVE A SIX YEAR sex seller MY CONTACT INFO and I guarantee it was BEDWARDS who asked this of her. I know bc he does illegal things. You both do.

>>>>>>>> Being kidnapped as a teen is not prostitution. Being kidnapped as an adult and forcibly SAD is not prostitution. Having your first lawyer sodomize you is not prostitution. Being an adult and selling body parts or "massaging" for money IS LEGIT PROSTITUTION! You repackaged it to devastate reality, real victims, and make a buck off the backs of every adult who PROSTITUTED FOR PAY. YOU PULLED AN EPSTEIN. THE OVERTON WINDOW IS MINE! you can GTFaway from what I have guarded since 2006 when FBI told me the teen victims were being labeled "prostitutes". As a result, I have refused to allow ADULT PROSTITUTES to be conflated with teens like [REDACTED] or models like [REDACTED]. THE SEX WORKERS DID SEX WORK FOR PAY.

>>>>>>>> You men=NOT THERE. I trust what I witnessed any day over the word of professional Trollops. One of the adult sex workers left me for dead at WEXNER'S when I called her.
