It's sickening BEDWARDS and BOIES think sexual intercourse for pay is "rape", while actually being assaulted sexually by one's lawyer is "to be ignored". They think being kidnapped and traumatized by 3 sharp shooters for a summer, leading to a brain tumor, is "not EVEN raped". They used a CROOKED "claims administrator" to tell me I was "worthless" and then lied about the appeal process, leading to my mental breakdown.

> This case and seeking justice was my life the last three decades. It was [REDACTED] life too. I refuse to permit some perverted old men and a FRAT ASS that married his law partner/affair?/LOVER to rewrite history! (We all gag to consider what BEDWARDS/"Brit" did over our documents! 😡) Briefly removing briefs over our briefs?! 😡

> Sigrid is busy trying to be a HOLLYWOOD CELEBRITY lawyer, as is BEDWARDS. They will fail. Watch me reclaim myself to honor V,

THOSE ARE RUTHLESS HEIDI FLEISS TYPES. THAT IS PROSTITUTION! THEY ARE THE CULPABLES whom Epstein called "money diseased". SIGRID GAVE A SIX YEAR sex seller MY CONTACT INFO and I guarantee it was BEDWARDS who asked this of her. I know bc he does illegal things. You both do.

your first lawyer sodomize you is not prostitution. Being an adult and selling body parts or "massaging" for money IS LEGIT PROSTITUTION! You repackaged it to devastate reality, real victims, and make a buck off the backs of every adult who PROSTITUTED FOR PAY. YOU PULLED AN EPSTEIN. The OVERTON WINDOW IS MINE! you can GTF away from what I have guarded since 2006 when FBI told me the teen victims were being labeled "prostitutes". As a result, I have refused to allow ADULT PROSTITUTES to be conflated with teens like [REDACTED], [REDACTED] or models like [REDACTED] and [REDACTED]. THE SEX WORKERS DID SEX WORK FOR PAY.

>> You men=NOT THERE. I trust what I witnessed any day over the word of professional Trollops. One of the adult sex workers left me for dead at WEXNER'S when I called her.

SODOMY STAN:

"██████████ Brad said your only health problem is you are fat. We both agree you could have never been a sex worker." Stated to a middle-aged disabled whistleblower fighting multiple **cancers** and government corruption, WITH ZERO ASSISTANCE FROM BADLY WAYWARDS.

"██████████ I think you would be a great sex worker if you lost weight" stated as he orgasmed in front of me/my mother over speaker on phone EVERY MORNING FOR TWO YEARS.

If I could go backwards I would never bring this case forward and I would talk [REDACTED] out of it as well. She had a life with a family. SHE WAS ALIVE. She was fragile and asked to be only strong. The publicity and dragging her around to solve the human trafficking problem was the most selfish aspect of this usury practiced by the ableists at BSF/Bedwards. I will never forgive them and will fight them legally to the finish line. You cannot YACHT your way out of decency Mr David BOIES.
