Importance: Normal

Sorry, bc of hacking many emails do not send...then later send. Forgive repetition. I have no assistance with ANYTHING, except from my best friend.

Kindly forward this clear pattern of stalking/harassment and intimidation of a federal witness to [REDACTED] They are assisting MAXWELL. This HAS TO END! They began hacking and harassing three years ago, whereas WEBBMORE (PodMob) began six years ago. The two warring factions of victim stalkers are an absolute nightmare and have stolen ALL OF MY SAFETY. I receive death threats bc they labeled me "CIA". No one has cared nor even pretended to care. I CARE!!! 🙄🦋💔

I was supposed to have surgery today to repair damages caused to my body by this "lawyer" at B EDWARDS "law" firm. I'm not strong enough bc of low BP and the loss of [REDACTED].

My Drs need me to wait. IT ALL ADDS UP TO HADES.

Brad mocking my brain tumor upon diagnosis, saying I was "simply fat" and sending a scale. The awful things Stan said about [REDACTED] to me before I knew her, it was all abuse. It was unethical and illegal in the state of Florida where BEdwards has his firm.

I'm sure the stalkers will post this email next. I'm fully hacked! No one assists. I have not had five minutes safety in thirty years and BEDWARDS said I was "worthless" to this case, after dedicating a chapter of his book to me. I smell a lot of rats.

That elderly man is the one who harmed us. This legal team knew years and did/said nothing to protect me/other victims. In light of what has happened to [REDACTED], I'm getting everything out bc not one bad thing was mine to hold inside. 1996-now! These ppl in power and authority abused me to no end. I have two federal witnesses as my witnesses, my mother and sister. Three, if you count me since I am the OG witness for this case. I have been undermined, shamed, SAd, and heartbroken by BEDWARDS/BSF.

I think the world needs to know how gatekeepers like this abuse clients, even ones they love like [REDACTED]. Not one bit of this can remain.

Victims used as props deserve FULL FEDERAL PROTECTIONS! We have been provided NONE. I deserved compensation, so BEDWARDS slighted me entirely to spite me for revealing what his law partner did to me!

[REDACTED] send this to [REDACTED]. I cannot live like this so everyone needs to do their part. I scream into empty forests of sheep. I'm exhausted. I feel I need to stay alive to honor [REDACTED] through art. Help me stay alive via revealing every ounce of truth [REDACTED]. From the Bedwards to the PODmafia/royals/Trump administration being after us...I will not survive without assistance.

Why are two felons stalking/harassing as multiple other ppl hired by Royals/Maxwell to harass me are not ordered to stop?! Why is this so out of control? Why did I ever testify against Maxwell to the Feds?! What kind of nation is this?

Something must change for me to survive the corruption any longer,
