Jessica Reed Kraus aka HouseInhabit wrote a hit piece on [REDACTED] using a source that is reposted here as saying "Karma." If you google that source even AI tells you he is a 3x conartist who stole money from elderly women. And her best friend Lady Victoria Hervey is giddy on death watch.

This is a friend of mine who fled Israel. He was born there. He was hated for MELANIN! David I was right about WEXNER, and this gang of elites. How unfair for you to blame me for antisemitism! I have strong ties to the people of the Middle East. Who labels their own client they have already abused via their best friend/colleague? I'm terrified bc I live in the South where white supremacy and evangelicals reside. Alon discusses it here. I'm terrified of ppl my own color bc of supremacy David BOIES! Several I love feel this way as well. It is entirely unacceptable to reside near ppl who normalize genocide and child harm. White Evangelicals do this. You have no compassion for those whom you used to redeem yourself over what you did to Rose McGowan. David I'm certain you used Black Cube or some form of systemic abuse against me as well! You counted on the fact that because I'm not a celebrity, no one cares about me. How on earth could you "accidentally" not compensate me out of \$375 mil, when you used me to get this entire case started? I didn't even know ppl could be this unkind and dishonest bc even Epstein wasn't as bad as you. You are Trump-esque. Epstein dumped him for duplicity/dishonesty/con artistry. You lawyers at BSF and BEDWARDS used every ounce of power you had to destroy what remained of me. I can't eat, sleep, and have the lack of brain chemicals fry my extremities from severe akathisia. The agony pours over my sternum, leaking into my arms. THIS BEGAN WHEN YOU STOLE MY COMPENSATION. It was caused by a full central nervous breakdown following the theft of my compensation. I believe you wished to soft kill us all after you used us. I believe this based on the fact you lied about an appeal after the fiscal terrorist you hired refused to compensate me more than a few thousand dollars David. The ones who stayed 6-23 years as adult sex workers received 3 mil each and 7.4 mil from Epstein estate. I believe you want me dead because of your lack of assistance when I told you your best friend and law colleague harmed me irreparably: sexually/emotionally/physically/spiritually. You fully pretended to not read my emails just as you are pretending to not read this.

Brad ignored my screams and crying when I found out his law partner made sexual advances towards ██████. I LOST MY mind OVER THIS! My panic and full body agony has NEVER ENDED. HOW COULD A LAWYER MAKE A PASS AT THE STAR CLIENT WHO WAS RAPED AS A LITTLE GIRL? How could he SA the whistleblower as well? I LOST MY MIND and still haven't recovered it and now ██████ is gone. Brad began bribing me with "the biggest thing is coming and you are the biggest part of it" to keep me silent and not reporting him.

All of this was illegal. It's 5 am and I'm lying here vomiting, sweating and shaking. THIS HAS BEEN my daily suffering SINCE YOU LAWYERS BEGAN USING MY TINY LIFE and not protecting nor compensating me! Since you trafficked me to your best friend and law associate, I have been entirely unable to function.

I live in fear about being impoverished again, as I had been decades after being blackballed by LEON BLACK in the art world! I live in fear bc I have no funds for a double mastectomy. How could I receive a few thousand dollars for 30 years of sacrifices as you distributed tens of millions to each culpable long term conspirator, IN FRONT OF MY FACE?!

My art sold for 20-30k per painting. I would be extremely wealthy if I had been permitted an art gallery in an entirely ELITE art world. Eric Fischl and Chuck Close had zero luck getting me a gallery. My paintings are in some of the most prominent collections.

Here's one your law associate stole/commissioned and never paid:

<image0.jpeg>

So here's why I know it was intentional...you still do not care that you have driven me to suicide for over a year bc of your lies, lack of support, Sigrid's babysitting and lying, etc...The vapidty of your firm has blown my mind! You made Annie beg your "good friend" judge RAKOFF to reconsider the theft of my compensation by the same woman who stole from Weinstein victims?! THIS IS A RACKET! If he's your good friend, why did you make my baby sister write privately to him, only to be fully ignored? Why was I denied an appeal process? You lied abt a simple appeal process to someone whose name you destroyed and endangered. The royals and Maxwell will never stop abusing me and authorities DO NOT CARE bc they also wish I was dead?!

You use ppl with no support systems and make them carry the weight of unimaginable power and retribution! I begged you and SIGRID YEARS to protect ██████/me from LADY VICTORIA HERVEY, as you gaslighted having never heard of the royal stalkers! Fergie and Maxwell are behind all of the suffering. LAW ENFORCEMENT IS NOT HERE FOR VICTIMS. They are here for elites.

I cannot even function post usury. I didn't even know lawyers could steal brain chemicals, art AND COMPENSATION, while paying themselves hundreds of millions in bank extortion schemes?

I think it's so bizarre for white supremacists to only wear white. I knew writer TOM WOLFE (Eric Fischl's friend) who dressed like this too. It's gimmicky. I liked Tom but his clothes were an obvious barrier to keep ppl at bay. A clothing SCHEME. Why does Sigrid subconsciously reiterate her supremacy via attire? It really disturbs her ex clients.

I have no therapy bc your "claims administrator" told Sigrid I'm not eligible. Ten million for therapy alone was distributed to those adult prostitutes who stayed decades and never reported. I reported all the criminals and suffered in hiding so long I'm now agoraphobic. ██████ had this same issue. We both preferred our canines to society. We both had to change our names multiple times and have been mocked as if we are to blame bc we bravely stood up to criminals.

I AM IN THE MOST AWFUL POSITION bc you placed me here. You used my name for publicity and as fuel in a public feud against Dershowitz. Then you abandoned me with Dershowitz and no compensation!!! YOU KNOW I CANNOT AFFORD CANCER SURGERY and will be forced to sell my home in the worst economy? I DECIDED TO JUST NOT FIGHT ANY LONGER. Cancer can take me bc no matter what I do, elites destroy me. I think ██████ came to this same conclusion after everyone used/abused her. Even the strongest survivors have limitations.
