Hey, [REDACTED]

C-19 would be supportive of the notifications but will certainly defer to you all if there are any reasons to not do so.

Thanks [REDACTED] for getting back so quickly.

Shouldn't we still notify the victims prior to being released so they aren't caught off guard seeing it?

Hey, [REDACTED]

That's correct. We've been working with OTD for the past two weeks to provide a high-level slide deck with embedded video clips from MCC, as well as the full videos requested by the DD. These products are strictly related to the Epstein death investigation.

Hey [REDACTED], you can reach out anytime!

I was not aware but that's likely because this is tied to C19 death investigation. I've copied SSA Ryan Christie for situational awareness and because he may be able to provide more insight.

Hi [REDACTED] - sorry to email so late but I just saw this. Should we be notifying the victims? I will be in tomorrow. Let me know if you want me to do anything.
