Hey [REDACTED]

[REDACTED] would be supportive of the notifications but will certainly defer to you all if there are any reasons to not do so.

Thanks [REDACTED] for getting back so quickly.

Shouldn't we still notify the victims prior to being released so they aren't caught off guard seeing it?

Hey, [REDACTED]

That's correct. We've been working with OTD for the past two weeks to provide a high-level slide deck with embedded video clips from MCC, as well as the full videos requested by the DD. These products are strictly related to the Epstein death investigation.

Hey [REDACTED] you can reach out anytime!

I was not aware but that's likely because this is tied to [REDACTED] death investigation. I've copied [REDACTED] [REDACTED] for situational awareness and because he may be able to provide more insight.

Hi [REDACTED] sorry to email so late but I just saw this. Should we be notifying the victims? I will be in tomorrow. Let me know if you want me to do anything.
