Just wow! Feds really do not care. I had to try, in an attempt to stay alive. Now all MSM have witnessed what it's like to be a whistleblower.

All VALOR is stolen by conspiracy theorists who unethically recorded MY WORDS/testimony. All my compensation was handed over to lawyers that lie/sodomize clients and it was liberally handed to adult prostitutes who worked for Epstein 6-13 years ON PURPOSE! All my sanity was stolen by [REDACTED] as she lied about an appeal after brutally using my sister [REDACTED] ragged. Raggedy [REDACTED] She never even fought for real compensation for [REDACTED] while using her in a Federal trial! As THE key credible witness. She was compensated 1/5 of the witness who committed perjury?! 😞 To top it all off, now THE hero is gone.

BSF harms ppl on purpose via brutal public usury imo/first hand lived experience! IM Clinging to LIFE as everyone just watches. No one should ever report mob. Not ever. It destroys everything good to try to bring bad ppl to justice. It took me 30 years to SEE it was a mistake to be a whistleblower. Without [REDACTED] here, there is zero point. The mob can eat everyone alive bc I'm not going to fight anymore. I'm going to have peace before I die.

█ it's not too late for you to come forward to the authorities and save yourself. The FBI has all the evidence of the fraud. It will be a long jail sentence. Think about it. Please feel free to reach out.

The truth is she was very jealous of Ghislaine Maxwell and would do and say ANYTHING to get her out of the way.

In other text messages she admits to being a PSYCHOPATH. Let's hope she gets the help she needs. 🙏

It's vital to note that GABE SHERMAN of VANITY FAIR, gave this felon Tonks my phone number and declared "I need help VETTING him bc he says WEXNER SAd him."

TONKS WAS IN FEDERAL PRISON WHEN HE BEGAN HARASSING ME! How in the heck is this man still stalking/harassing/defaming with zero consequences? This man began stalking a Federal witness, from FEDERAL PRISON and not one "police" officer cares. No one cares. I hope

claims of being a "lifelong victim of ...

"SHAKEDOWN" that's how Abigail Wexner described what Virginia Giuffre was doing.

Alan Dershowitz Counterclaims - 7 Nov 2019

At about the same time that she publicly accused Dershowitz, Giuffre, through her lawyers at Boies Schiller Flexner LLP, privately made an accusation against Leslie Wexner... David Boies personally met with Wexner's lawyer in what Wexner's lawyer and wife both described as a "shakedown"... Boies and his partner described in detail the alleged sexual encounters between [redacted] and Wexner, including an alleged demand by Wexner that [redacted] wear Victoria's Secret-type lingerie during their encounters. Such an accusation, if made publicly, could have massively damaged Wexner and his company.

No public accusation against Wexner was ever made. This means that Wexner either submitted to [redacted] and her lawyers' extortion campaign and paid the demanded bank money, or that David Boies came to disbelieve [redacted] claims regarding Wexner... Open information and belief [redacted] lawyers also approached other wealthy individuals whose alleged misconduct was well beyond the waters of innocence, as part of an extortion and libel

[redacted] sent her final years mocking survivors, [redacted] her power, and lying," Ms Brown told Daily Mail Australia.

[redacted] actions, both publicly and privately, caused tremendous harm to real survivors, myself included.

"Her portrayal as an advocate is a myth carefully maintained at the expense of those of us who truly fought to expose the Epstein-Masrani network.

"Let me make this clear, Virginia was a recruiter, not a victim."

[redacted] was not a heroine; she was a lying, manipulative con artist who destroyed many lives. Consider why her children and husband had no desire to have anything to do with her. A friend recorded hours of phone calls with [redacted] where she detailed her past victims she had extorted and future ones, including extorting millions from the FBI with her partner in crime.
