Hi Natalie,

Unfortunately, I'm unavailable to help out full days. I'm helping out with trial this week. I can help out pockets of time when I'm in the office during the week.

Jack, I'm available to come into the office Saturday afternoon and Sunday if they need support over the weekend.

Vr,

Hey [REDACTED]

I'm going to be in only half a day on Thursday and out Friday. Will you be able to cover those days?

Thanks,

With the arrest of Epstein, changes were made to support the incoming work we will be receiving. Once the hotline number is released on Monday, all of the incoming victims need to be tracked and documented. This was discussed on Friday and Saturday I will fill you in on. As of now, we need to

monitor it from 6am to 9pm. I will be working the 6-2 shift and will likely stay later with the amount of work. You will be working from 1-9 (but you can start monitoring at 2). This may change by next week but as of now this is what is needed. If for any reason you are unable to cover it, [REDACTED] offered to help (but she is also working on trial prep). I will completely update you tomorrow once things are good to go!
