

# Jeffrey Epstein 31E-NY-3027571

Sarah Kellen Vickers

Link

Employee

Unknown if she was directly responsible for recruiting girls but at least 10 girls state she is the direct point of contact for scheduling his massage appointments in West Palm Beach and New York City. Vickers was also in charge of greeting the girls at his FL and NY residences, making them feel comfortable and welcome, offering them food, bringing them into the massage room and giving them instructions, and then often paying them afterwards. Vickers was also Epstein's personal travel assistant and flew with him all over the world. She was the direct supervisors to Adriana Ross and instructed her to schedule massage appointments, and destroy evidence during the Palm Beach investigation into Epstein's conduct. At least 1 victim states that Vickers sexual abused her during a massage session with Epstein.

Cecilia Steen

Link

Employee

Unknown if she actually recruited or abused any of the victims. Was said to have been one of Epstein's NYC secretary's and responsible for arranging massage appointments. May have on 1-2 occasions paid victims at the Madison Avenue office for the massages. Unknown if she was ever present at any of Epstein's homes.

Jeffrey Epstein  
DOB: 1/20/1953

Girlfriend

Adriana Mucinska (Ross)

Link

Unknown if she was directly responsible for recruiting girls but admits during a proffer she was trained by Vickers to schedule FL and NY massage appointments for Epstein. Ross was made to perform massages on Epstein at his private island. Ross was instructed by Vickers to remove items from his Palm Beach home and Virgin Island home and have them destroyed during the Palm Beach investigation. Unknown if she actually recruited or abused any of the victims.

Ghislaine Maxwell

Link

Overall property manager for all of Epstein's property's. Was observed by a property manager Alessi in Palm Beach to have recruited Virginia Roberts to massage Epstein. Roberts eventually recruits multiple girls that spider web into that structure of the original Palm Beach investigation. Alessi believes Maxwell may have been physically involved in some of the abuse that occurred during these massages, but has not personally observed it. At this time no victims have

Leslie Groff

Link

Multiple victims state that Groff was the main point of phone contact for NYC based massage appointments. Unknown if ages were discussed during the massage appointment phone calls but things such as school or parents were often brought up. On at least 2 occasions victims believed that Groff was the one to pay them at his Madison Avenue office building. Unknown if she actually recruited or abused any of the victims. Unknown if she was ever present at any of Epstein's homes.

Nadia Marcinko

Link

Unknown if she actually recruited or abused any of the victims. Was rumored to be Epstein's "sex slave" and victims often described someone fitting her description as being involved in the sexual abuse during these massages. Traveled with Epstein all over the world.
